Winner#4**

#2

**Winner#2
vs
Winner#3**

FINAL

COMPETITION RULES

1. This is a softball cricket competition. **Only** tennis balls will be used. All participating teams are to have at least one tennis ball.
2. Each team will play a maximum of five (5) matches.
3. A team must be comprised of a maximum of ten (10) players (male or female).
4. Only six (6) players are allowed onto the field at any time (teams are allowed rolling subs).
5. Only one (1) bowler will be allowed to bowl two (2) overs. All other overs shall be bowled by different bowlers.
6. **All teams must be uniformly attired (P.E. uniform or other appropriate clothing).**
7. Matches will be played on a fifteen (15) yard pitch.
8. ***“Wide”*** equals two runs.
9. ***“No-ball”*** equals two runs.
10. “Wides” and “No-balls” shall be bowled over in the final over only.
11. There shall be **no “LBW’s** given.
12. Any ball down the leg side will be considered a “wide”.
13. A ball bouncing two (2) times will be considered a “no-ball”.
14. A ball bouncing more than two (2) times will be considered a “dead ball”.
15. Throwing the ball (as opposed to bowling the ball) will result in a “no-ball” being called plus two penalty runs being awarded to the opposing team.

Cont'd

16. Any bowler who **throws** the ball twice shall be automatically replaced.
17. A batsman cannot be given out off a throw/illegal delivery.
18. School officials **will not** be allowed on the field except in the event of injury.
19. Two (2) points shall be awarded for a “win” and one (1) shall be awarded for a “no result”.
20. Individual games **will not** be replayed.
21. Reschedules will occur **only** in the event of the inability to play an entire zone.
22. If a team is unable to play, the opposing team will be awarded the points.
23. The first-place teams from each zone will qualify for the Quarterfinals. However, if teams finish with the same points, the team with the highest run rate will advance.
24. “Last man bat-out”, however, the batsman must always run to return to the striker-end to face the next ball. If the last ball in the innings is hit for six (6), the runs will be doubled.
25. There will be a target zone called the “Festival Zone”. All balls struck into the “Zone” will be worth double the runs.

NOTES

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
